2 A lesson in BibTeX

The next tutorial is taken from the following link:

[BibTeX](#)

See Appendix.tex for the tutorial in BibLaTeX

The steps are:

1. Create .bib file

2. Following the sequence: LaTeX,BibTeX,LaTeX,LaTeX

The result will be: Random citation [1] is embedded in the text.

4 Indexing

Consider the following paragraph:

Gale-Shapley algorithm The Gale-Shapley algorithm forms a basic cornerstone for the study of two-sided matching theory, one of the subfields of game theory.

Remember to run

```
makeindex filename
```

to initiate the creation of .ind file, which contains the sorted index and is processed by the input latex document.
