## Company Recruitment Team

Fazer Oy  
Vantaa

February 28, 2020

Dear Sir or Madam,

I am writing this letter to express my interest in joining the Finance Business Trainee Program offered by Fazer Oy, and I believe I have the qualifications for the job.

I have training in Econometrics and Statistical Analysis. The first one taught me how to use Stata (I learnt R by myself), and the second one taught me how to use Excel. I am also well-versed in mathematical economics, having passed the Mathematical Methods for Economists with 5-grade. Additionally, even with just my B.Sc, I have already passed a doctoral course in Microeconomics with 3 while doing full-time job as a dishwasher, and I was praised as "exceptional" by Pauli Murto, the head of Department of Economics at Aalto because the course is very challenging, and there are Ph.D candidates who fail that course. Lastly, I have strong teamwork experience in the minor, having worked with teammates and understood that an understanding and upbeat attitude are needed in dealing with people. So I am compassionate and willing to help people coming from a weaker background because everyone is different.

So due to these details, I am confident that I will be a valuable, diversified part of the team and make Fazer Business becomes a better place.

Yours faithfully,

**Son To**
